Employee Engagement Opportunities

INTERACTIVE LEARNING

Featured Organizations: Oxfam America, Save the Children, UNICEF, World Vision

Through action-packed simulation exercises, these interactive learning sessions provide a look into the complexities of global issues, such as a disaster in a developing country, hunger inequalities, class differences, and the various setbacks that can be experienced when living in a resource-scarce nation. Not only are these powerful learning experiences, but they can also be a great team building activity.

KIT BUILD

Featured Organizations: Church World Service, International Orthodox Christian Charities, Lutheran World Relief, United Methodist Committee on Relief, World Vision

A group-based event in which volunteers assemble kits that are shipped to people in need. The themes of these kits range from hygiene to baby care, disaster relief to education. The cost of this activity varies depending on type of kit built and the content requirements determined by the partnering organization.

FOOD PACK

Featured Organizations: Feed My Starving Children, Stop Hunger Now, World Vision

A group-based event in which volunteers assemble food packages that will be sent either to those in need across the country and around the world. These food packs offer vital nutrients to hungry people, filling their bellies with food and their hearts with hope.

CRAFTS

Featured Organizations: Lutheran World Relief, Operation Smile

Many charities look for volunteers to help craft various comfort items for families undergoing surgery or expecting the arrival of a child. These include sewing dolls, making blankets, assembling soft casts, and school bags. These tokens can ease the burden of medical hardships or caring for a newborn on families already coping with scarce resources.

COLLECTION/DRIVE

Featured Organizations: Planet Aid

Clothing collections or drives are great, low maintenance ways to engage staff who might not otherwise be able to give. Donated clothing will be sent to impoverished communities around the world.

EXPERIENTIAL

Featured Organizations: Direct Relief, ECHO, Heifer International, Mercy Corps, Tourism Cares for America

Many charities offer great exhibits that provide a hands-on experience of what life is like in a developing nation. These opportunities would be done at the charity site. Locations include Santa Barbara, CA; Fort Myers, FL; Perryville, AR; Sharpsburg, MD; Howell, MI; and Portland, OR; Philippi, WV; Chicago, IL; New York City, NY; Grand Prairie, TX; Fife, WA; Pittsburgh, PA; Denver, CO.

INDIVIDUAL

Featured Charities: Africare, Healing the Children, Mercy Corps

Individuals can take advantage of volunteer opportunities with a number of our charities, including mentoring, hosting a child, or volunteering abroad.

SPEAKERS BUREAU

Charity Speakers

All of our charities have wonderful stories to tell on the work they do, the people they meet, and how donors like you can make a difference. These talks have often been described by listeners as inspiring and enlightening.

Current Event Talks

As part of our ongoing efforts to grow global philanthropy, Global Impact and our charity alliance partners closely follow international current events and can provide a subject matter expert to lead a discussion with your staff about a number of topics including women and girls, disaster relief, global health and child survival, education, malaria, human trafficking, economic development, and hunger.
